Dear Professor ,

I hope you are doing well.

I am writing to kindly request an extension for the submission of the **Digital Literacy Project**, which is currently due on **31st March 2026**. I sincerely value the importance of this assignment and would like to request an extension until **5th April 2026**. This additional time will allow me to submit work that reflects my understanding and effort.

I apologize for any inconvenience caused and appreciate your consideration of my request. Please let me know if any further information is required.

Thank you for your time and understanding.
